

SÈNE & CIE HAS SUCCESSFULLY ADVISED HEIMDALL ON THEIR MERGER WITH BOLDER GROUP

The corporate finance advisory firm Sène & Cie acted as a sell-side financial advisor to Jan Wandrag, majority shareholder of Heimdall, in the merger process with Bolder Group.

To enhance its IT systems and increase the efficiency and geographical reach of its service deliveries, Heimdall was seeking a partner with an international dimension. This task, entrusted to Sène & Cie, led to the conclusion of an agreement with the Bolder Group, headquartered in the Netherlands, thus allowing them to establish themselves internationally. This agreement is pending regulatory approval from the Financial Service Commission of Mauritius (FSC).

According to Jan Wandrag: "Sène & Cie's professionalism, dedication and hard work was sublime. They assisted us every step of the way in completing a merger that resulted in very favourable outcome for all the parties that were involved."

This transaction further illustrates Sène & Cie's ability to manage cross-border transactions with an emphasis on identifying the right partner for his client, wherever he may be located (Africa, Europe, Asia...).
